ENVIRONMENTALLY FRIENDLY TRANSPORTS

CONTARGO RAIL

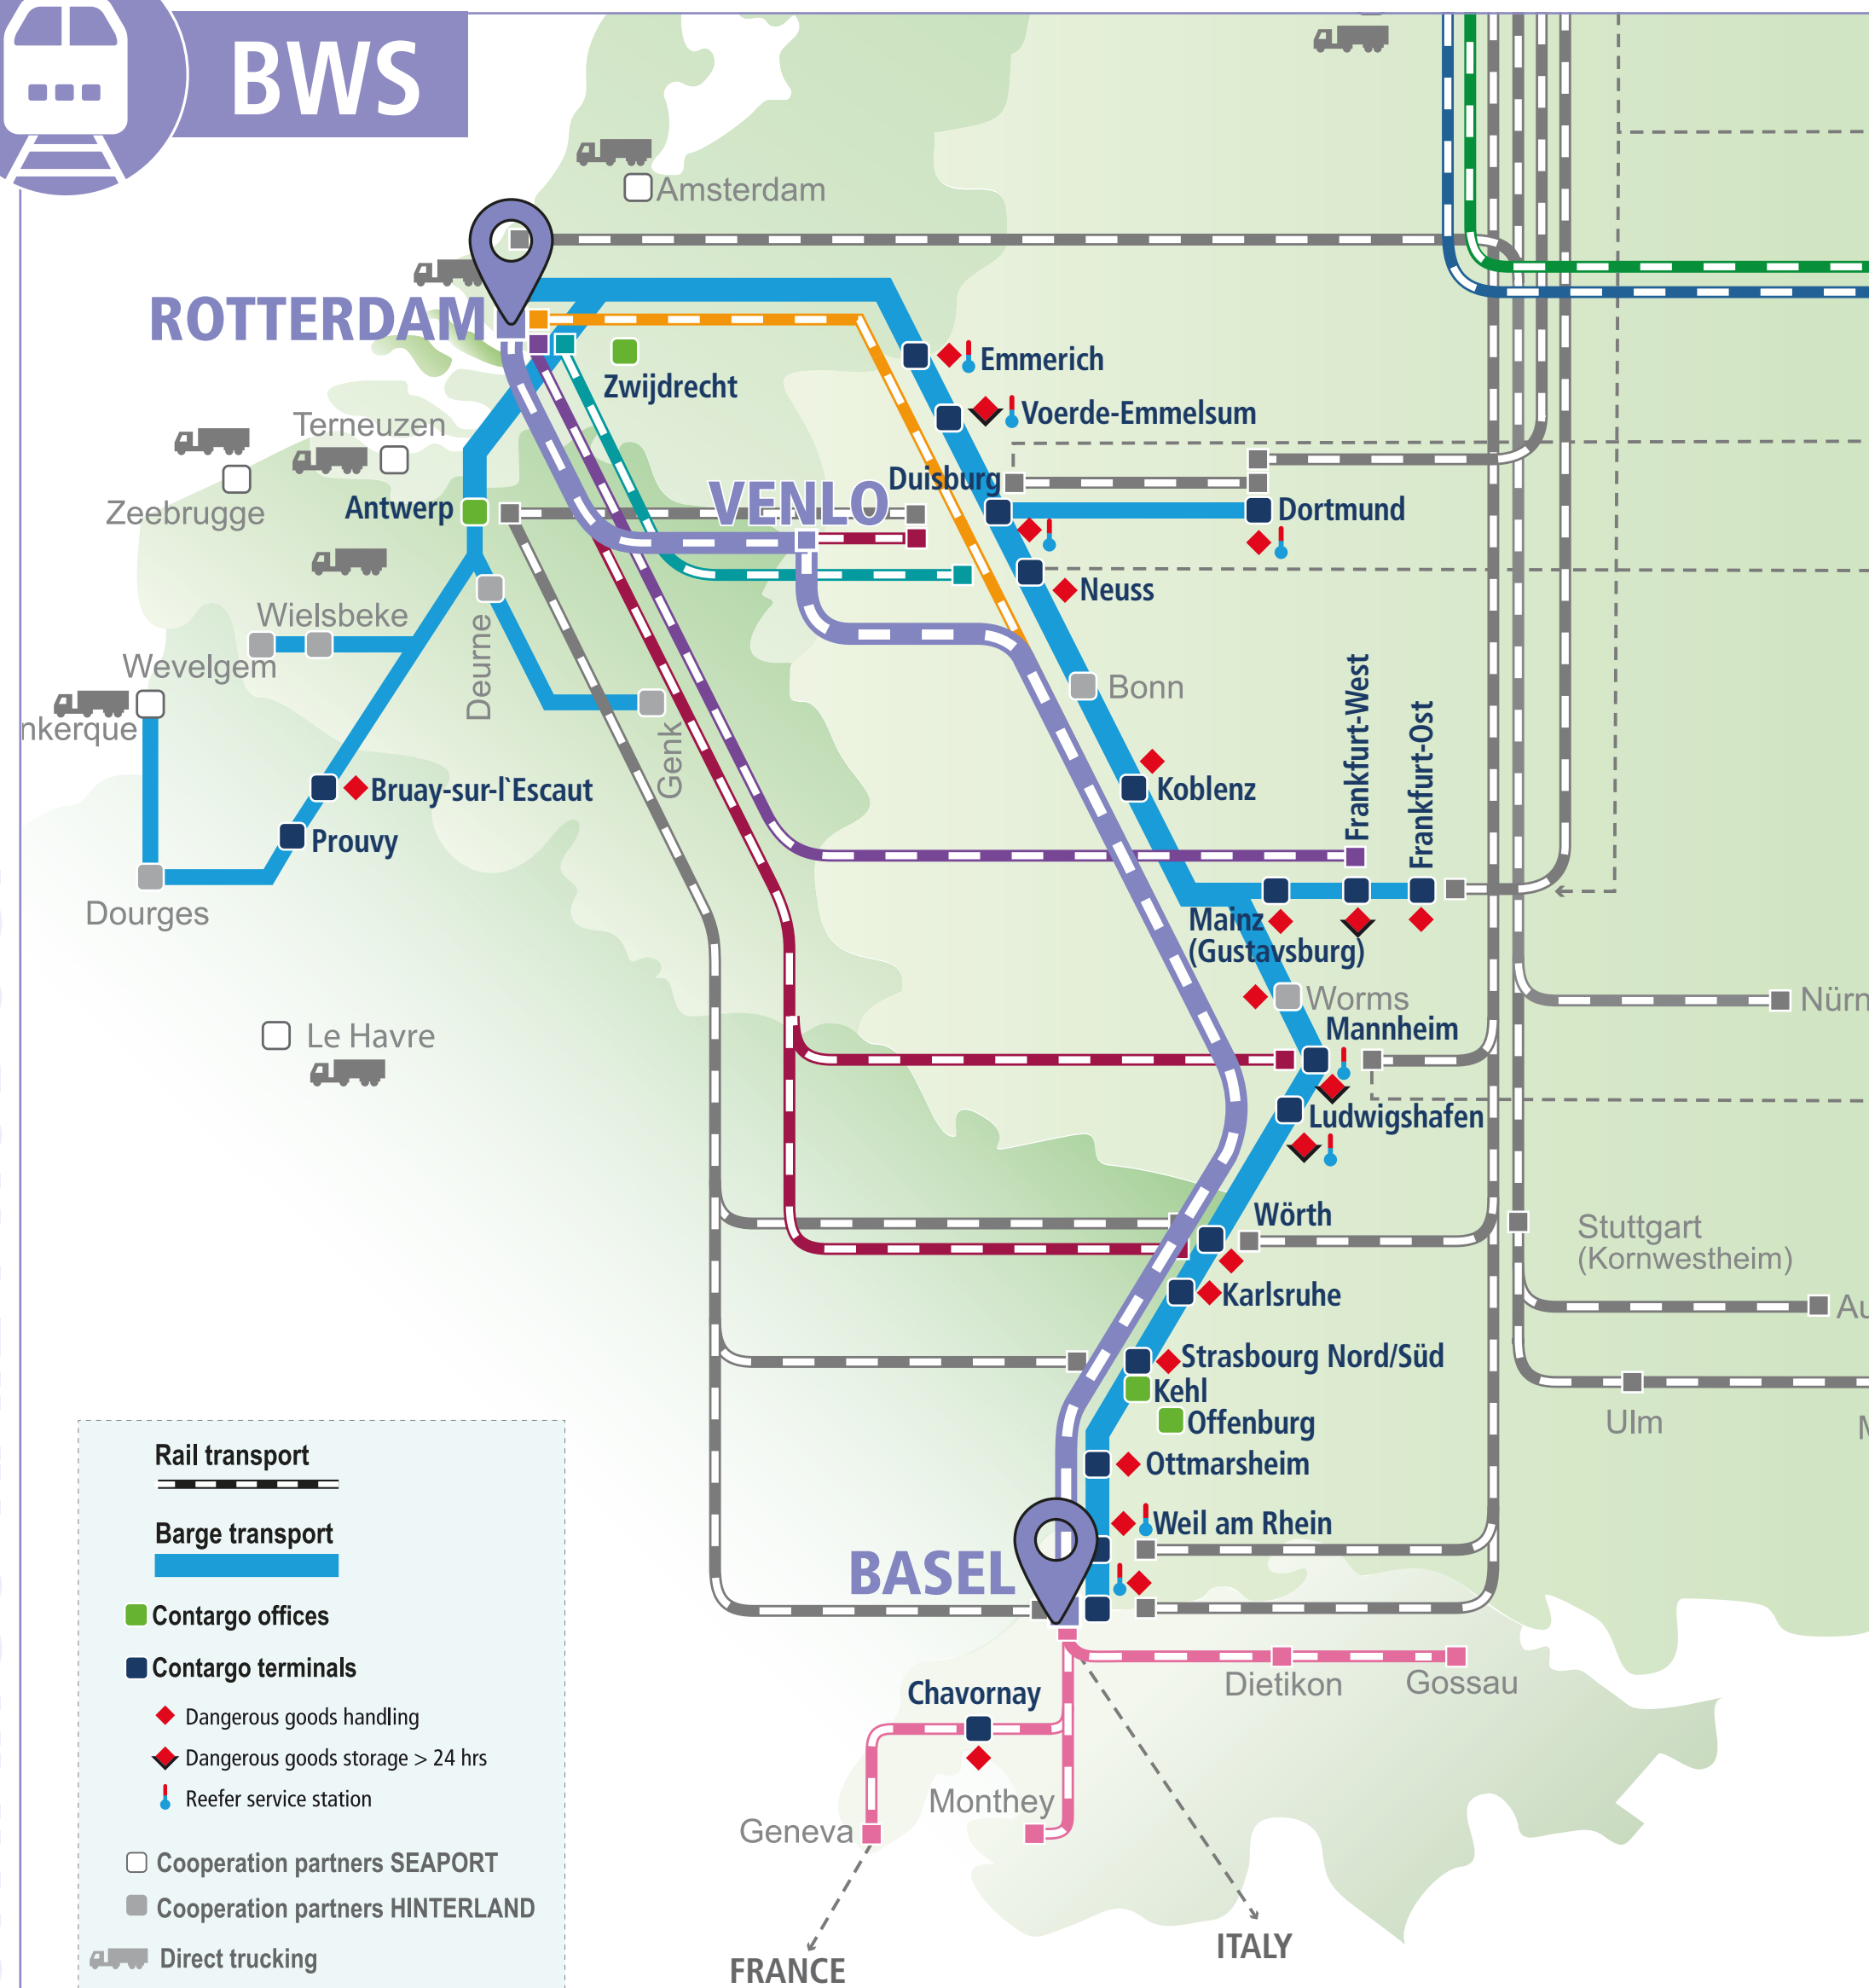

BWS

Basel Westport Shuttle

BWS

10/2021

BWS - Basel Westport Shuttle

The direct, sustainable rail solution that reduces CO₂

■ OPTIMAL CONNECTION

BWS connects the DE/FR/CH Border Triangle directly with the seaport in Rotterdam

■ POSSIBLE LINKS

In Rotterdam: All connections to the various seaport terminals

In the Border Triangle: Distribution of your containers and direct connection to our shuttle trains and the Swiss Split.

■ FREQUENCY (from November 2021)

5 x per week (previously 3 x per week)
Rotterdam CTT and Basel Bad UBF.

■ TRANSPORT

The reliable, environmentally friendly transport mode for both maritime and continental cargoes.
