ENVIRONMENTALLY FRIENDLY TRANSPORTS

NME

Neuss Multimodal Express

NME - Neuss Multimodal Express

Fast, direct and sustainable transports

OPTIMAL CONNECTION

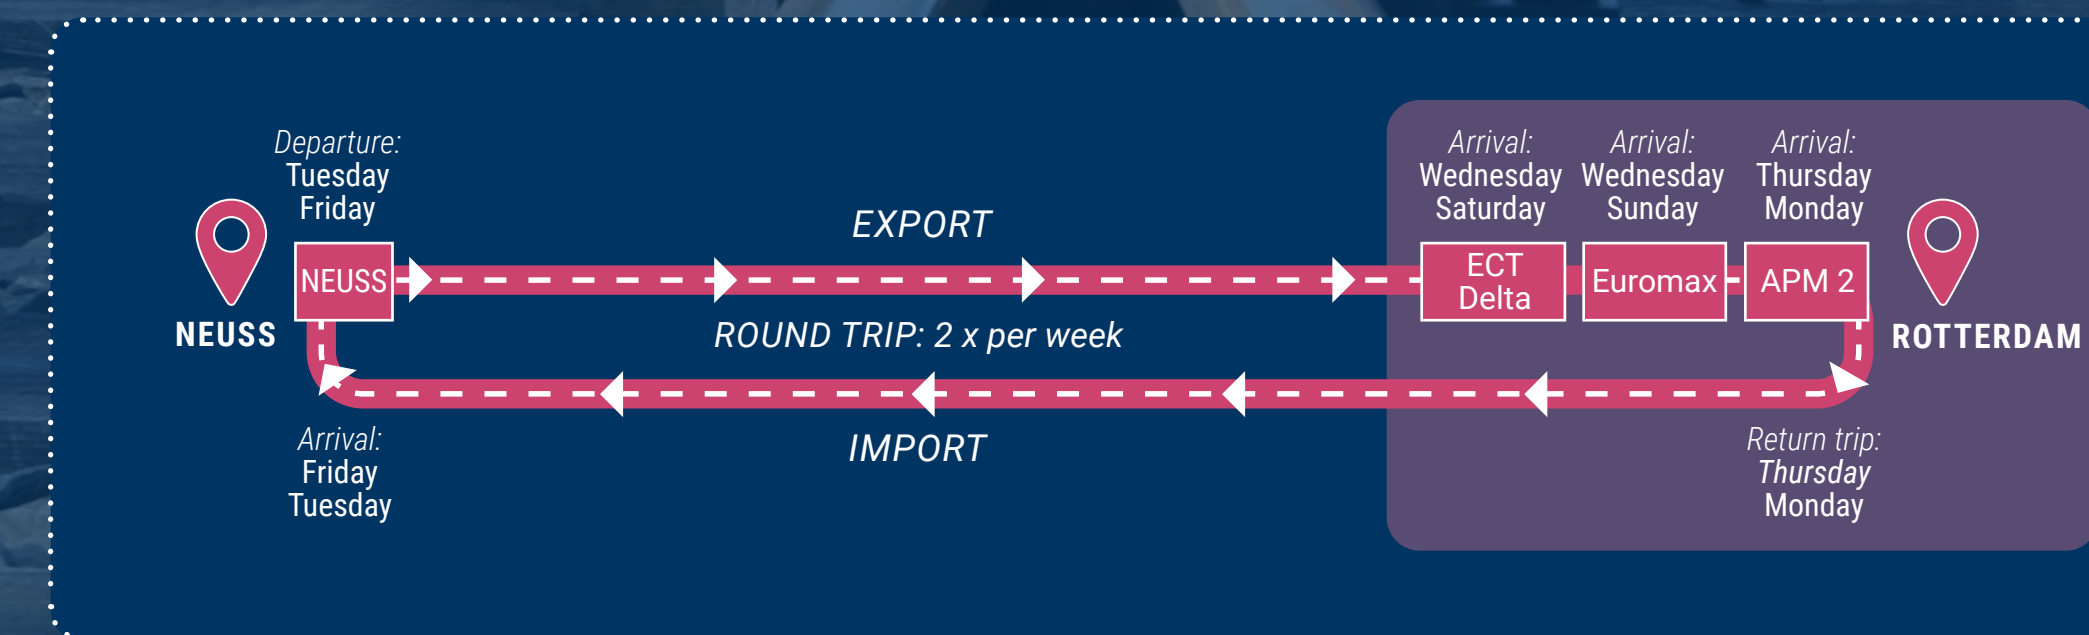

NME (Neuss Multimodal Express) connects the Lower Rhine with Rotterdam.

As a perfect alternative to trucks, containers are transported sustainably by rail in the shortest possible time between the terminals in the Port of Rotterdam and Neuss.

FREQUENCY

2 round trips per week

In Rotterdam we serve the terminals: ECT Delta I/II, Euromax, and APM 2 (Other terminals via internal transfer – on request)
